

John B. Manning to Co-Chair Perrin Conferences' 2026 National Asbestos Litigation Conference

July 29, 2026

MG+M The Law Firm Partner and Chairperson [John B. Manning](#) will co-chair the 2026 National Asbestos Litigation Conference, hosted by Perrin Conferences on September 15–16 at The Charleston Place Hotel in Charleston, South Carolina. John has served as co-chair of this industry-leading event since its inception in 2009. MG+M is a proud diamond sponsor of the conference and sponsor of the Tuesday evening networking cocktail reception. [View the agenda and register to attend.](#)

As co-chair, John will help lead the welcome and opening remarks on Tuesday, September 15. He also plays a key role in shaping the conference agenda, which brings together leading plaintiff and defense attorneys, in-house counsel, insurers, judges and technical experts to discuss the evolving asbestos and talc litigation landscape.

Presentation topics include:

- + National Trends Driving Asbestos Litigation
- + Trial Attorney Perspectives
- + The Role of Science and Medicine in Asbestos Litigation
- + Developments in Bankruptcy, Dissolutions and Receiverships in Asbestos Litigation

John shared his perspective on the conference's continued significance:

“The exceptional faculty that Perrin Conferences consistently assembles for its National Asbestos Litigation Conference, combined with the event's enduring value to practitioners, businesses, and insurers, has established this gathering as the premier professional education experience in national mass tort litigation. Having proudly co-chaired the conference since its inception in 2009, I continue to value the collective insight, meaningful dialogue, and professional connections that make it such a trusted and impactful forum year after year.”

MG+M is pleased to support this important event and looks forward to another year of meaningful industry collaboration.
