

# Firm Overview

MG+M The Law Firm is a national litigation powerhouse with offices across 16 cities throughout the United States representing corporate defendants in high-stakes litigation. Our attorneys have handled litigation in all 50 states, have resolved tens of thousands of cases, and have more than 25 years of experience as national coordinating counsel, national discovery counsel, national trial counsel and regional coordinating counsel for US and international companies.

Clients ranging from Fortune 100 companies and household-name brands to small, family-owned businesses trust our experienced team of diverse attorneys to handle their most critical and complex litigation.

Through a collaborative approach, we offer custom solutions based on the unique needs of your business and build strong, trial-ready cases that often encourage voluntary dismissals and settlements along the way. Most often, we seek to resolve cases before trial to limit disruption, risk and expense. And when your interests are best served through litigation, we have the experience and judgment to take cases successfully to trial.

MG+M is ranked as a top-tier law firm by Best Law Firms®, named to the Best Companies to Work For: Law Firms list by U.S. News & World Report and recognized with Mansfield Certification Plus status. We take pride in our greatest strength—the people who make up our firm. Functioning as a truly integrated team, we staff cases with resources from across our firm and partner with professionals who are best qualified to handle clients' unique needs. We foster a culture that celebrates varied perspectives and creative thinking, allowing us to collaborate effectively and achieve optimal results for our clients.

With experience in a broad and growing range of practice areas, we support clients across industries in all phases of complex litigation and liability claims, as well as other matters impacting their business.

- + Tort and class action litigation, including general and professional liability, products and premises liability, food and beverage liability, transportation, and asbestos, talc and other toxic torts
- + Commercial litigation, including trademark and copyright, privacy and cybersecurity, and commercial real estate litigation
- + Design professionals litigation
- + Employment litigation
- + Environmental litigation
- + Corporate law and transactions
- + Construction and land use litigation
- + PFAS litigation
